 Sea views.
 Energy certificate.

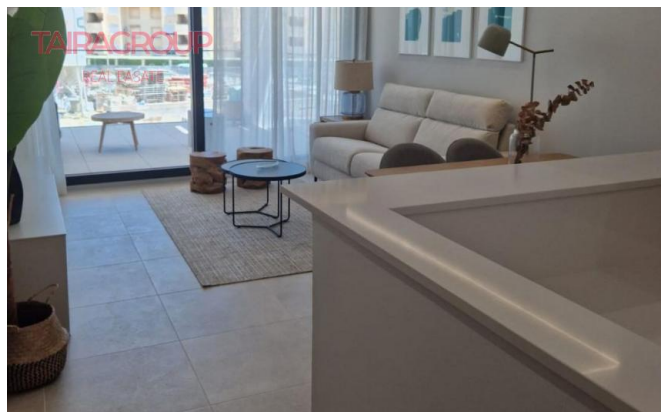

L'Estanyo is a modern beachfront development of 100 two and three bedroom flats to choose from, with stunning sea views and in a fantastic location. This development consists of three residential blocks which include a choice of two and three bedroom flats or penthouses. Each property has a spectacular terrace with sea views. The resort is a gated, secure urbanisation with extensive communal gardens, two swimming pools, a children's playground and underground parking. There is also outdoor parking for bicycles. Situated next to L'Estanyo beach with its calm waters and expansive areas of golden sand and surrounded by many amenities.

Close to the town of Denia, which is a cosmopolitan town along the Mediterranean coast where the sun shines almost all year round. The mild climate and 20 km of sandy beaches and rocky coves make Denia an ideal destination for family beach holidays and for those who enjoy diving. Located 110 km from Alicante airport (approximately 1 hour and 20 minutes) and 95 km from Valencia. The town faces north-east, looking out to sea towards the Balearic Islands.
