We are delighted to present this beautiful modern flat with private roof terrace, just 200 metres from Torrevieja's magnificent promenade and Playa del Cura beach. The flat, which is only 1 year old, is bright and spacious and is located in a modern apartment complex with only 10 flats on 5 floors and with a communal roof terrace and swimming pool available exclusively to residents. You enter into an open and bright living room/kitchen and dining area, as well as a large balcony and stairs leading to the private roof terrace. From the living room and kitchen you walk into a long hallway with 3 bedrooms and 2 bathrooms. The master bedroom has an en-suite bathroom. The flat is tastefully furnished with top quality furniture, both inside and on the two terraces. But that's not all, the purchase also includes a private garage space in another property approximately 850 metres from the flat. The flat is centrally located in Torrevieja, with all amenities within walking distance,

and there are many restaurants and bars to choose from.
