The project includes villas with three bedrooms and three bathrooms, a private swimming pool, solarium and private outdoor parking space. The villas have 131 built-up square metres spread over two levels plus a roof terrace with plenty of space for sun loungers, patio furniture and beautiful views of the surrounding area. On the ground floor there is a bright living room with an open plan kitchen, a double bedroom with built-in wardrobe and a bathroom. From the living room and bedroom there is direct access to the garden. Upstairs there are two double bedrooms with en-suite bathrooms, all with built-in wardrobes. One bedroom has direct access to a cosy terrace and stairs to the solarium. From here it only takes a few minutes to reach the beautiful sandy beach of Mil Palmeras and its centre, where you can find several pleasant restaurants, cafés and

supermarkets. A short drive away you can reach several golf courses or the largest shopping centre in the area, La Zenia Boulevard. Easy access to the AP-7 motorway and Alicante and Murcia (Corvera) airports within a short drive.
