Luisa is a project of newly built flats with a Mediterranean design in a very good location in Ciudad Quesada. Here you can choose between two types of maisonette, ground floor or top floor flats, all built to high standards and very good quality. The maisonette flats offer an open layout between the living room and kitchen, two spacious bedrooms and two bathrooms, one of which is connected to the bathroom. The ground floor flats have spacious gardens, while the top floor flats offer large roof terraces. The maisonette flats belong to a gated estate with beautiful green areas and a communal swimming pool. All properties have a private parking space. The Ciudad Quesada area is located between Guardamar and Torrevieja and has a cosmopolitan and friendly atmosphere. It has all the amenities you could wish for, within easy reach. Shops, banks, supermarkets,

restaurants and bars are numerous, along with the Aqua Park. There are five golf courses within a 20-minute drive for players of all abilities, including La Marquesa Golf Club and the 2008 PGA Championship course at La Finca. One of the area's attractions is the La Laguna Hotel's leisure area, where you can enjoy spa and beauty treatments without being a hotel guest. Weekly fairs are also held in Quesada, Guardamar, Benjiofar, Torrevieja and Rojas.
