This modern residential complex consists of only eight properties with independent entrances, with options for a two or three bedroom house with a large garden or solarium. In addition, there is a building with commercial space on the ground floor and two penthouses with three bedrooms, a large terrace and a solarium. The roof terrace has an impressive swimming pool and there are parking spaces in the basement. The Liberty development is in a prime location in the large residential area of Pilar de la Horadada (Alicante), next to 'la Rambla', a great place for families to live because of its easy access to all kinds of services. The Pilar de la Horadada area is a well-established Spanish town with a great selection of shops, bars and restaurants. It is just a few kilometres from the beautiful beaches of Torre de la Horadada, which has a wonderful marina and promenade to enjoy a glass of wine in the sun on the beach. The estate is just a few kilometres from the Lo Romero golf resort.
